ABOUT US

We are a not-for-profit home bakery, cafe & shop offering opportunities to adults, some of whom have learning disabilities.

Our community extends further than the coffee shop - we also have a residential care home for adults within Holywood town.

Volunteers, employees & co-workers come from around the globe to work in partnership with people with disabilities to create, cook & bake the produce available here every day.

If you want to know more about day opportunities or our community here in Holywood please ask a member of staff!
